

Adding Your Images to the Willowhayne Residents' Association Flickr Group.

The WRA flickr Group is set up so that anyone with their own, free, Yahoo/Flickr account can add their images directly to the WRA Group site after being accepted as a member of the Group.

All images must be no more than 1400 pixels wide and 1050 pixels high. They must be of the Estate or local area. All images must comply with the Flickr 'Safe' criteria and be suitable for family viewing.

The Administrators/Moderators may remove any images they consider inappropriate for the Group. See Group Rules on the WRA Group site.

If you do not have your own Flickr account

- **If you want to setup your own Flickr account**
 - Follow this link <https://www.flickr.com/> and click on the 'Sign Up' Button and follow the instructions. Then go to the section below to add images.
 - Due to Flickr rules it may take several days before images from a new Flickr account can be seen in any group.

- **If you want to by-pass setting up a Flickr account**
 - Please attach your images to an email and send it to photos@willowhayne.org but first please make sure they are no more than 1400 pixels wide and 1050, pixels high, 1.5Mb. There are numerous software packages that will enable you to reduce them to this size. One such package, for Windows, which is free and very good, is **FastStone Image Viewer** it can be downloaded from here <http://www.faststone.org/> . Do not search for this in a search engine as you may get more than you bargained for.

If you have your own Flickr account.

Joining the WRA Flickr Group

- Log in to your Flickr account
- Click on this link or paste it into your browser <https://www.flickr.com/groups/wra-ep/>

- Click on the 'Join Group' button
- In the message section enter your name and the address of the Willowhayne Estate property that you own
- Click to send the request

- You will then have to wait until your request has been approved. It will only be approved if you own a property on the Estate and your Estate Rates account is up to date. This may take a little time as we have to check.

Adding images from your account to the Group once you are a member

- First login to your account
- Got to <https://www.flickr.com/groups/wra-ep/> and click 'Add Photos' and follow the instructions.
- There is currently a limit of 10 images per day that you can upload.
- Only images that are marked as 'Safe' and 'Public' in your account will be visible in the WRA Group

Please enjoy you experience with the WRA Flickr Group.

If you have any problems with it then please email photos@willowhayne.org for assistance.

If you would like your images to be considered for the Home page banner then they need to be 1258x400 pixels. If you have an image of this shape but cannot set it to this resolution then please send it to the email address above.
