

Parking Control Notice

We have unfortunately received complaints regarding this vehicle and the fact that it has been parked on the road without prior permission from the Willowhayne Residents' Association.

As detailed on the signage at the Willowhayne estate entrance, parking vehicles on the estate roads is strongly discouraged.

We would remind you that a parking control notice scheme (PCN) operates throughout the estate and Notices will be issued to vehicles which are parked on the Estate roads without prior permission.

Residents and their visitors/contractors are not exempt from receiving a PCN.

If you are unable to park your vehicle within the curtilage of the property we would ask you to arrange suitable parking off the estate.

Should your vehicle continue to be parked in this manner, it may be subject to a PCN without further warning.

Thank you for your co-operation in this matter.
